ORDINANCE 2017:07

AN ORDINANCE OF THE BOROUGH OF STRATFORD CODE TO BE ENTITLED,
“REGISTRATION OF DEFAULTED MORTGAGE PROPERTY”;
PROVIDING FOR PURPOSE, INTENT AND APPLICABILITY OF THE ORDINANCE REQUIRING THE REGISTRATION AND MAINTENANCE OF CERTAIN REAL PROPERTY BY MORTGAGEES, PROVIDING FOR PENALTIES AND ENFORCEMENT, AS WELL AS THE REGULATION, LIMITATION AND REDUCTION OF REGISTRABLE REAL PROPERTY WITHIN THE BOROUGH OF STRATFORD; PROVIDING FOR SEVERABILITY, REPEALER, CODIFICATION, AND AN EFFECTIVE DATE.

WHEREAS, the Stratford Borough Council desires to protect the public health, safety and welfare of the citizens of the Borough of Stratford and maintain a high quality of life for the citizens of the Stratford through the maintenance of structures and properties in the Borough of Stratford; and

WHEREAS, properties that are neglected and have unsecured, accessible structures have a negative impact on community value, create conditions that invite criminal activity, and foster an unsafe and unhealthy environment for children; and

WHEREAS, the present mortgage foreclosure crisis has serious negative implications for all communities trying to manage the consequences of properties that have defaulted mortgages, are in the foreclosure process, foreclosed upon and/or mortgagee owned; and

WHEREAS, often times, the foreclosing party or property owners are an absentee responsible party, and there is no local contact for such a property, which makes it difficult to notice the proper party of the violations of the Borough Code, and to maintain the requisite level of maintenance and security on such structures or lots; and

WHEREAS, the Stratford Borough Council recognizes an increase in the number of properties with defaulted mortgages and subject to foreclosure action or foreclosed upon, (hereinafter referred to as “registrable properties”) located throughout the Borough which lead to a decline in property value, create nuisances and lead to a general decrease in neighborhood and community aesthetic; and

WHEREAS, the Borough Council has already adopted property maintenance codes to regulate building standards for the exterior of structures and the condition of the property as a whole; and

WHEREAS, the Borough Council recognizes in the best interest of the public health, safety and welfare a more regulated method is needed to discourage registrable property

owners and mortgagees from allowing their properties to be abandoned, neglected or left unsupervised; and

WHEREAS, the Borough Council has a vested interest in protecting neighborhoods against decay caused by registrable property and concludes that it is in the best interests of the health, safety, and welfare of its citizens and residents to impose registration requirements of registrable property located within the Borough to discourage registrable property owners and mortgagees from allowing their properties to be abandoned, neglected or left unsupervised; and

WHEREAS, the Borough Council desires to amend the Borough's code in order to establish a property registration process that will identify a contact person to address safety and aesthetic concerns to minimize the negative impact and conditions that occur as a result of the foreclosure process; and

WHEREAS, upon passage, duly noticed public hearings, as required by law, will have been held by the Borough Council, at which public hearings all residents and interested persons were given an opportunity to be heard;

NOW THEREFORE, BE IT ORDAINED BY THE STRATFORD BOROUGH COUNCIL:

The Borough Council finds that the implementation of the following changes and additions will assist the Borough in protecting neighborhoods from the negative impact and conditions that occur as a result of vacancy and lack of compliance with existing Borough of Stratford regulations and laws.

1. That the foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Ordinance upon the adoption hereof
2. That the Borough Council does hereby amend the Borough Codified Ordinances by creating a section for the Borough entitled "Registration of Defaulted Mortgage," to read as follows:

REGISTRATION OF DEFAULTED MORTGAGE PROPERTY

PURPOSE AND INTENT

It is the purpose and intent of the Borough Council to establish a process to address the deterioration, crime and decline in value of Borough neighborhoods caused by property with defaulted mortgages located within the Borough, and to identify, regulate, limit and reduce the number of these properties located within the Borough. It is the Borough Council's further intent to establish a registration requirement as a mechanism to protect neighborhoods from the negative impact and conditions that occur as a result of vacancy, lack of adequate maintenance and

security and will provide a method to expeditiously identify a contact person for each property responsible for this protection.

It is not the intent of this article to determine the rights and liabilities of persons under agreements to which the Borough is not a party. This article shall not be construed to alter the terms of any lease or other agreement between a landlord and a tenant or others relating to property that is the subject of this Article; provided that no provision of any lease or other agreement shall be construed to excuse compliance with this article. Additionally, a violation of this article shall not in and of itself create negligence per se standard or otherwise expand existing liability in tort for either a landlord or a tenant.

APPLICABILITY

These sections shall be considered cumulative and not superseding or subject to any other law or provision for same, but rather be an additional remedy available to the Borough above and beyond any other State or Borough provisions for same.

ESTABLISHMENT OF A REGISTRY

Pursuant to the provisions of the Borough Council, or its designee, shall establish a registry cataloging each Registrable Property within the Borough, containing the information required by this Article.

REGISTRATION OF DEFAULTED MORTGAGE REAL PROPERTY

- A. Any Mortgagee who holds a mortgage on real property located within the Borough shall perform an inspection of the property to determine vacancy or occupancy, upon default by the mortgagor. The Mortgagee shall, within ten (10) days of the inspection, register the property with the Code Enforcement Department, or its designee, on forms or other manner as directed, and indicate whether the property is vacant or occupied. A separate registration is required for each property, whether it is found to be vacant or occupied.
- B. Registration pursuant to this section shall contain the name, direct mailing address, a direct contact name, telephone number, and e-mail address for the Mortgagee/Trustee, and the Mortgage Servicer, and the name and twenty-four (24) hour contact phone number of the local property management company responsible for the security and maintenance of the property who has the authority to make decisions concerning the abatement of nuisance conditions at the property, as well as any expenditure in connection therewith.
- C. Mortgagees who have existing registrable property on the effective date of this ordinance have 30 calendar days from the effective date to register the property with the Code Enforcement Department, or its designee, on forms or other manner as directed, and indicate whether the property is vacant or occupied. A separate registration is required for each property, whether it is vacant or occupied.
- D. If the mortgage on a registrable property is sold or transferred, the new Mortgagee is subject to all the terms of this Article. Any previous unpaid registration fees are the responsibility of the new Mortgagee or Trustee and are due and payable with their initial registration. Except if it is determined that the transferee is exempt from paying fees then the previous mortgagee will not be released from the responsibility of paying all previous unpaid fees and fines, regardless of who the mortgagee was at the time when registration was required, including

but not limited to unregistered periods during the foreclosure process. The provisions of this section are cumulative with and in addition to other available remedies. Moreover, the Code Enforcement Department is authorized and empowered to refer the previous mortgagee's non-payment of previous fees and fines to the Code Enforcement Special Magistrate or a court of competent jurisdiction for disposition.

- E. If the servicing rights for a mortgage on a registrable property are sold or transferred, the registration must be updated to include all the new Servicer information within 10 days of the servicing transfer.
- F. If the Mortgagee owner of a foreclosed real property sells or transfers the property to a non-arm's length related person or entity, the transferee is subject to all the terms of this Article and within 5 days of the transfer register the property. Any previous unpaid registration fees are the responsibility of the new Registrable property owner and are due and payable with their initial registration. Except if it is determined that the transferee is exempt from paying fees then the previous mortgagee will not be released from the responsibility of paying all previous unpaid fees and fines, regardless of who the mortgagee was at the time when registration was required, including but not limited to unregistered periods during the foreclosure process. The provisions of this section are cumulative with and in addition to other available remedies. Moreover, the Code Enforcement Department is authorized and empowered to refer the previous mortgagee's non-payment of previous fees and fines to the Code Enforcement Special Magistrate or a court of competent jurisdiction for disposition.
- G. As long as the property is Registrable it shall be inspected by the Mortgagee, or designee, monthly. If an inspection shows a change in the property's occupancy status the mortgagee shall, within ten (10) days of that inspection, update the occupancy status of the property registration.
- H. A non-refundable registration fee of \$500.00 shall accompany each registration pursuant to this section.
- I. If a lis pendens, deed-in-lieu of foreclosure, or other public notice of foreclosure is filed on a property and the property was not registered and the registration fee paid at least 30 days prior to the filing date, a late \$100 shall be charged per property and shall be due and payable with the registration. This section shall apply to the initial registration and registration renewals. Registrations delinquent greater than 30 days are subject to additional fines as described herein.

- J. All registration fees must be paid directly from the Mortgagee, Trustee, Servicer, or Owner. Third Party Registration fees are not allowed without the consent of the Borough and/or its authorized designee.
- K. Properties subject to this section shall remain under the semi-annual registration requirement, and the inspection, security and maintenance standards of this section as long as they are registrable.
- L. Until the mortgage or lien on the property in question is satisfied, or legally discharged, the desire to no longer pursue foreclosure, the filing of a dismissal of lis pendens and/or summary of final judgment and/or certificate of title, voluntary or otherwise, does not exempt any Mortgagee holding the defaulted mortgage, from all the requirements of this article as long as the borrower is in default.
- M. Any person or legal entity that has registered a property under this section must report any change of information contained in the registration within ten (10) days of the change.
- N. Failure of the Mortgagee to properly register or to modify the registration information from time to time to reflect a change of circumstances as required by this article is a violation of the article and shall be subject to enforcement and any resulting monetary penalties and/or property liens
- O. Pursuant to any administrative or judicial finding and determination that any property is in violation of this article, the Borough may take the necessary action to ensure compliance with and place a lien on the property for the cost of the work performed to benefit the property and bring it into compliance.
- P. Properties subject to this chapter shall be in accordance with the applicable code(s) of the Borough.
