BOROUGH OF STRATFORD

ORDINANCE NO. 2021:08

**ORDINANCE OF THE BOROUGH OF STRATFORD
AMENDING CHAPTER 17.05, AFFORDABLE HOUSING, TO REPLACE SECTION
17.05.010 "UNIFORM AFFORDABLE HOUSING PRODUCTIONS BASED ON
GROWTH SHARE" IN ITS ENTIRETY WITH A NEW SECTION 17.05.010 ENTITLED
"AFFORDABLE HOUSING REQUIREMENTS" AND TO UPDATE SECTION 17.05.020
ENTITLED "AFFORDABLE HOUSING DEVELOPMENT FEES"**

WHEREAS, in 2005 the Borough of Stratford adopted section 17.05.010 of the Borough Code, which provided requirements for the production of affordable housing based on "growth share", and was intended to ensure that affordable housing was produced proportionate to new market rate housing in the Borough; and

WHEREAS, the "growth share" methodology was subsequently invalidated by the Superior Court of New Jersey and has been replaced with a methodology accepted by the Courts; and

WHEREAS, Stratford Borough has set forth a plan to comply with its Mount Laurel affordable housing obligations, which plan is summarized and memorialized in the Settlement Agreement dated November 3, 2016, signed on November 9, 2016 between Stratford Borough and Fair Share Housing Center, and approved by Court Order dated December 22, 2016; and

WHEREAS, in order to make the Borough Code consistent with the adopted Housing Element and Fair Share Plan and the Settlement Agreement, section 17.05.010 entitled "Uniform Affordable Housing Productions Based on Growth Share" will be repealed and replaced with a new section 17.05.010 entitled "Affordable Housing Requirements"; and

WHEREAS, in 2005 the Borough of Stratford adopted section 17.05.020 of the Borough Code, to enable the Borough to collect development fees as authorized by the Fair Housing Act, to be deposited into an Affordable Housing Trust Fund; which would then be expended in support of the production of affordable housing; and

WHEREAS, certain amendments to section 17.05.020 are necessary in order to update references and requirements to reflect the current regulatory environment; and

WHEREAS, the Borough strives to enact land use regulations that are consistent with current affordable housing rules and regulations and that advance the Borough's housing goals and objectives as set forth in the Housing Element and Fair Share Plan and that facilitate the production of affordable housing in satisfaction of the Borough's obligations under the Fair Housing Act.

NOW, THEREFORE, BE IT ORDAINED AND ESTABLISHED by the Borough Council of the Borough of Stratford, County of Camden, State of New Jersey as follows:

SECTION I. Amend Section 17.05.010 in its entirety to read as follows.

17.05.010 Affordable Housing Requirements

A. Background and Purpose.

The Stratford Borough Planning Board has adopted and the Borough Council has endorsed a Housing Element and Fair Share Plan pursuant to the Municipal Land Use Law at N.J.S.A. 40:55D-1, et seq. (hereinafter "Fair Share Plan"). The Fair Share Plan describes how Stratford Borough will address its obligation to provide realistic opportunities for low- and moderate-income housing. The Borough's compliance mechanisms are also set forth in the Settlement Agreement entered into between the Borough and Fair Share Housing Center on November 9, 2016 (the "FSHC Settlement Agreement") and the Court Order approving same; which was entered by the Court on December 22, 2016 after a properly noticed Fairness Hearing. This section of the Borough Code is intended to provide assurances that low- and moderate- income housing units are created with controls on affordability over the restriction period and that low- and moderate-income households or individuals shall occupy those units.

B. Applicability.

These affordable housing regulations shall apply to all affordable housing units that currently exist or that are constructed or created in Stratford Borough, including affordable housing units funded through low income housing tax credit financing.

C. Monitoring and Reporting Requirements.

Stratford Borough shall comply with the following monitoring and reporting requirements regarding the status of the implementation of its Housing Element and Fair Share Plan:

1. Beginning on the date that the Borough's Affordable Housing Trust Fund is established and on every anniversary of that date through 2025, the Borough agrees to provide annual reporting of its Affordable Housing Trust Fund activity to the New Jersey Department of Community Affairs, Council on Affordable Housing or Local Government Services, or other entity designated by the State of New Jersey, with a copy provided to Fair Share Housing Center (FSHC) and posted on the municipal website, using forms developed for this purpose by the New Jersey Department of Community Affairs (NJDCA), Council on Affordable Housing (COAH), Local Government Services (NJLGS), or the Court. The reporting shall include an accounting of all Affordable Housing Trust Fund activity, including the source and amount of funds collected and the amount and purpose for which any funds have been expended.
2. Beginning on November 9, 2017, and on every anniversary of that date through July 1, 2025, the Borough agrees to provide annual reporting of the status of all affordable housing activity within the municipality through posting on the municipal website with a copy of such posting provided to Fair Share Housing Center using forms developed for this purpose by the New Jersey Department of Community Affairs (NJDCA), Council on Affordable Housing (COAH), or

Local Government Services (NJLGS), or any other forms endorsed by the Court.

3. The Fair Housing Act includes two provisions regarding action to be taken by the Borough during the ten-year period of protection provided in the Settlement Agreement with FSHC. The Borough will comply with those provisions as follows:
 - a. For the midpoint realistic opportunity review, as required pursuant to N.J.S.A. 52:27D-313, the Borough will post on its municipal website, with a copy provided to Fair Share Housing Center, a status report as to its implementation of its Plan and an analysis of whether any unbuilt sites or unfulfilled mechanisms continue to present a realistic opportunity. Such posting shall invite any interested party to submit comments to the Borough, with a copy to Fair Share Housing Center, regarding whether any sites no longer present a realistic opportunity and should be replaced. Any interested party may by motion request a hearing before the Court regarding these issues.
 - b. For the review of very low income housing requirements required by N.J.S.A. 52:27D-329.1, within 30 days of the third anniversary of the Settlement Agreement with FSHC, and every third year thereafter, the Borough will post on its municipal website, with a copy provided to Fair Share Housing Center, a status report as to its satisfaction of its very low income requirements, including the family very low-income requirements referenced herein. Such posting shall invite any interested party to submit comments to the Borough and Fair Share Housing Center on the issue of whether the Borough has complied with its very low income housing obligation under the terms of the Settlement Agreement with FSHC.

- I. Income limits for all units that are part of Stratford Borough's Fair Share Plan, and for which income limits are not already established through a federal program exempted from the Uniform Housing Affordability Controls pursuant to N.J.A.C. 5:80-26.1, shall be updated by the municipality annually within 30 days of the publication of determinations of median income by HUD as follows:
 - a. Regional income limits shall be established for the housing region that the municipality is in, based on the median income by household size, which shall be established by a regional weighted average of the uncapped Section 8 income limits published by HUD. To compute this regional income limit, the HUD determination of median county income for a family of four is multiplied by the estimated households within the county according to the most recent decennial Census. The resulting product for each county within the housing region is summed. The sum is divided by the estimated total households from the most recent decennial Census in the municipality's housing region. This quotient represents the regional weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the HUD determination of the regional weighted average median income for a family of four. The income limit for a very low-income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. These income limits shall be adjusted by household size based on multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.
 - b. The income limits applicable to Stratford Borough shall be the result of applying the percentages set forth in paragraph (a) above to HUD's determination of median income for the most current fiscal year, and shall be utilized until the municipality updates the income limits after HUD has published revised determinations of median income for the next fiscal year.
 - c. The Regional Asset Limit used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)3 shall be calculated by the Borough annually by taking the percentage increase of the income limits calculated pursuant to paragraph (a) above over the previous year's income limits, and applying the same percentage increase to the Regional Asset Limit from the prior year. In no event shall the Regional Asset Limit be less than that for the previous year.

I. Maximum Rents and Sales Prices:

1. In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD and approved by the court.

 - c. A two-bedroom unit shall be affordable to a three-person household;
 - d. A three-bedroom unit shall be affordable to a four and one-half person household; and

 - a. A studio shall be affordable to a one-person household;
 - b. A one-bedroom unit shall be affordable to a one and one-half person household; and

- c. A two-bedroom unit shall be affordable to a two-person household or to two one-person households.
7. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Federal Reserve H.15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28 percent of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.

In no event shall the maximum resale price established by the administrative agent be lower than the last recorded purchase price.
10. The rent levels of very-low, low- and moderate-income units may be increased annually based on the percentage increase in the Housing Consumer Price Index for the Northeast Urban Area, upon its publication for the prior calendar year. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low- income housing tax credit regulations shall be indexed pursuant to the regulations governing low- income housing tax credits.
11. If at any time, COAH (or a successor administrative agency duly empowered by an amendment to the Fair Housing Act) begins to issue updated annual income limits and rules for increasing sales prices and rent levels each year, said updated income limits and rules for increasing sales prices and rent levels each year may be used instead of the methodology set forth herein.
12. Utilities. Tenant-paid utilities that are included in the utility allowance shall be so stated in the lease and shall be consistent with the utility allowance approved by DCA for its Section 8 program.

Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.

U. Enforcement of Affordable Housing Regulations

1. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
2. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - a. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is found by the court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the court:
 - i. A fine of not more than \$10,000.00 or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
 - ii. In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing

units, payment into the Stratford Borough Affordable Housing Trust Fund of the gross amount of rent illegally collected;

- iii. In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
- b. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- and moderate-income unit.
- c. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
- d. The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.
- e. Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and

possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

- f. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- g. Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- h. The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

V. Appeals.

Appeals from all decisions of an Administrative Agent appointed pursuant to this ordinance shall be filed in writing with the Superior Court of New Jersey, Burlington County.

SECTION II. Amend Section 17.05.020 in its entirety to read as follows.

Section 17.05.020 Affordable Housing Development Fees

A. Short Title. This section of the Stratford Borough Code shall be known and may be cited as the Mandatory Development Fee Ordinance of the Borough of Stratford as amended.

B. Purpose

- 1. In Holmdel Builder's Association V. Holmdel Township, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985 (the Act), N.J.S.A. 52:27d-301 et seq., and the State Constitution, subject to the Council on Affordable Housing's (COAH's) adoption of rules.
- 2. Pursuant to P.L.2008, c.46 section 8 (C. 52:27D-329.2) and the Statewide

Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH was authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that are under the jurisdiction of the Council or Court of competent jurisdiction and have a COAH-approved or Court approved spending plan may retain fees collected from non-residential development.

3. In Re: Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015), also known as the Mount Laurel IV decision, the Supreme Court remanded COAH's duties to the Superior Court. As a result, affordable housing fee collections and expenditures from the municipal affordable housing trust funds to implement municipal third round Fair Share Plans through July 1, 2025 are under the Court's jurisdiction and are subject to approval by the Court.
4. This section establishes standards for the collection, maintenance, and expenditure of development fees pursuant to COAH's regulations and in accordance P.L. 2008, c.46, Sections 8 and 32-38. Fees collected pursuant to this section shall be used for the sole purpose of providing and supporting low- and moderate-income housing. This section shall be interpreted within the framework of COAH's rules on development fees, codified at N.J.A.C. 5:93-8.

C. Definitions. The following terms, as used in this ordinance, shall have the following meanings:

1. **"Affordable housing development"** means a development included in the Borough's Fair Share Plan or otherwise intended to address the Borough's fair share obligation, and includes, but is not limited to, an inclusionary development, a municipal construction project, or a 100 percent affordable development.
2. **"COAH"** or the **"Council"** means the New Jersey Council on Affordable Housing established under the Fair Housing Act which previously had primary jurisdiction for the administration of housing obligations in accordance with sound regional planning consideration in the State. Pursuant to the Executive Reorganization Act of 1969, P.L. 1969, c. 203 (C. 52:14C-1 et seq.), the Governor abolished the Council and transferred all functions, powers, and duties to the Commissioner of the Department of Community Affairs, effective August 29, 2011. As such, any and all references to COAH shall mean the Department.
3. **"Development fee"** means money paid by a developer for the improvement of property and in support of affordable housing as permitted in N.J.A.C. 5:93-8.
4. **"Developer"** means the legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

5. **“Equalized assessed value”** means the assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with sections 1, 5, and 6 of P.L.1973, c.123 (C.54:1-35a through C.54:1-35c). The tax assessor may estimate the equalized assessed value at the time of issuance of a building permit utilizing estimates for construction cost. Final equalized assessed value will be determined by the tax assessor at project completion.
6. **“Green building strategies”** means those strategies that minimize the impact of development on the environment, and enhance the health, safety and well-being of residents by producing durable, low-maintenance, resource-efficient housing while making optimum use of existing infrastructure and community services.
7. **“Housing Trust Fund”** means the interest-bearing account in which all development fees will be deposited pursuant to N.J.A.C. 5:93-8.15.
8. **“Judgement of Compliance and Repose”** means a judgement issued by the Superior Court approving a municipality’s plan to satisfy its fair share obligation.

D. Residential Development fees

1. Imposed fees
 - a. Within all residential zoning districts, residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of one and a half percent (1.5%) of the equalized assessed value for residential development provided no increased density is permitted.
 - b. When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a “d” variance) has been permitted, developers may be required to pay a development fee of six percent (6%) of the equalized assessed value for each additional unit that may be realized. However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.
2. Eligible exactions, ineligible exactions and exemptions for residential development
 - a. Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units shall be exempt from development fees.

- b. Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The fee percentage shall be vested on the date that the building permit is issued.
- c. Development fees shall not be imposed on isolated single lots (infill lots) when the lot was not part of a subdivision, and when only one single-family dwelling is constructed.
- d. Residential structures demolished and replaced as a result of a fire, flood, or similar natural disaster shall be exempt from paying a development fee.

E. Non-residential Development fees

1. Imposed fees

- a. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to two and one-half (2.5) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
- b. Non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to two and one-half (2.5) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
- c. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvement and the equalized assessed value of the newly improved structure, i.e. land and improvement, at the time final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

2. Eligible exactions, ineligible exactions and exemptions for non-residential development

- a. The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to the two and a half (2.5) percent development fee, unless otherwise exempted below.

- b. The 2.5 percent fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
- c. Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to P.L.2008, c.46, as specified in the Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption" Form. Any exemption claimed by a developer shall be substantiated by that developer.
- d. A developer of a non-residential development exempted from the non-residential development fee pursuant to P.L.2008, c.46 shall be subject to it at such time the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.
- e. If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by Stratford Borough as a lien against the real property of the owner.
- f. Religious organizations that engage in construction activity for religious purposes shall be exempt from paying development fees.

F. Collection procedures

- 1. Upon the granting of a preliminary, final or other applicable approval, for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.
- 2. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption" to be completed as per the instructions provided. The developer of a non-residential development shall complete Form N-RDF as per the instructions provided. The construction official shall verify the information submitted by the non-residential developer as per the instructions provided in the Form N-RDF. The Tax assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.
- 3. The construction official responsible for the issuance of a building permit shall notify the local tax assessor of the issuance of the first building permit for a development which is subject to a development fee.

4. Within 90 days of receipt of that notice, the municipal tax assessor, based on the plans filed, shall provide an estimate of the equalized assessed value of the development.
5. The construction official responsible for the issuance of a final certificate of occupancy notifies the local assessor of any and all requests for the scheduling of a final inspection on property which is subject to a development fee.
6. Within 10 business days of a request for the scheduling of a final inspection, the municipal assessor shall confirm or modify the previously estimated equalized assessed value of the improvements of the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
7. Should Stratford Borough fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in subsection b. of section 37 of P.L.2008, c.46 (C.40:55D-8.6).
8. Fifty percent of the development fee shall be collected at the time of issuance of the building permit. The remaining portion shall be collected at the issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at building permit and that determined at issuance of certificate of occupancy.
9. Appeal of development fees
 - a. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest-bearing escrow account by Stratford Borough. Appeals from a determination of the Board may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
 - c. A developer may challenge non-residential development fees imposed by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the Director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest-bearing escrow account by Stratford Borough. In the event of a failure by the Borough to comply with trust fund monitoring and reporting requirements or to submit accurate monitoring reports; or a failure to comply with the conditions of the judgement of compliance or a revocation of the judgement of compliance; or a failure to implement the approved spending plan and to expend funds within the applicable required time period as set forth in In re Tp. Of Monroe, 442 N.J. Super. 565 (Law Div 2015) (aff'd 442 N.J. 4. Any party may bring a motion before the Superior Court presenting evidence of such condition and the Court may, after considering the evidence and providing the municipality a reasonable opportunity to respond and/or to remedy the non-compliant conditions, and upon a finding of continuing and deliberate non-compliance, determine to authorize LGS to direct the expenditure of funds in the Trust Fund. The Court may also impose such other remedies as may be reasonable and appropriate to the circumstances.
5. All interest accrued in the housing trust fund shall only be used on eligible affordable housing activities approved by the Court.

H. Use of funds

WHEREAS, the Borough of Stratford (the “Borough”) is a municipal corporation organized and operating under the laws of the State of New Jersey; and

WHEREAS, in 2020 New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called “cannabis” for adults at least 21 years of age; and

WHEREAS, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (the “Act”), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and

WHEREAS, the Act establishes six marketplace classes of licensed businesses, including:

- Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
- Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
- Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
- Class 4 Cannabis Distributer license, for businesses involved in transporting cannabis plants in bulk from on licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
- Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and
- Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer.

WHEREAS, Section 31a of the Act authorizes municipalities by ordinance to adopt regulations governing the number of cannabis establishments (defined in Section 3 of the Act as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”), cannabis distributors or cannabis delivery services allowed to operate within their boundaries, as well as the location manner and times operation of such establishments, distributors or delivery services, and establishing civil penalties for the violation of any such regulations; and

WHEREAS, Section 31b of the Act authorizes municipalities by ordinance to prohibit the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality; and

WHEREAS, Section 31b of the Act also stipulates, however, that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (*i.e.*, by August 22, 2021); and

WHEREAS, pursuant to Section 31b of the Act, the failure to do so shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones; and

WHEREAS, at the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating within the municipality; and

WHEREAS, the Borough of Stratford has never adopted an enabling ordinance to allow for cannabis production, cultivation, processing, distribution, and/or retail in any form, whether for medical or recreational use within the Borough of Stratford; and

WHEREAS, the Borough of Stratford has never adopted any zoning ordinance and/or zoning amendment to allow for cannabis production, cultivation, processing, distribution, and/or retail in any form, whether for medical or recreational use within the Borough of Stratford; and

WHEREAS, the Mayor and Borough Council of the Borough of Stratford has determined that, due to present uncertainties regarding the potential future impacts that allowing one or more classes of cannabis business might have on New Jersey municipalities in general, and on the Borough of Stratford in particular, it is at this time necessary and appropriate, and in the best interest of the health, safety and welfare of the Borough of Stratford’s residents and members of the public who visit, travel, or conduct business in the Borough of Stratford to amend the Borough of Stratford’s Code and zoning regulations to prohibit all manner of marijuana-related land use and development within the geographic boundaries of the Borough of Stratford; and

WHEREAS, many areas of municipal law are or may be implicated in decisions as to whether or to what extent cannabis or medical cannabis should be permitted for land use purposes or otherwise regulated in any particular municipality; and the relatively short duration in which

the Act would allow such decisions to be made before imposing an automatic authorization of such uses in specified zoning districts subject to unspecified conditions, the most prudent course of action for all municipalities, whether or not generally in favor of cannabis or medical cannabis land development and uses, would be to prohibit all such uses within the Act's 180-day period in order to ensure sufficient time to carefully review all aspects of the Act and its impacts;

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Stratford that the Code of the Borough of Stratford is hereby amended, revised and/or supplemented as follows:

SECTION 1. New Chapter 8.14 of the Code of the Borough of Stratford is hereby established as follows:

“Cannabis and Cannabis Products”

“Pursuant to Section 31b of the New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act (P.L. 2021, c. 16), all medical and recreational cannabis establishments, cannabis distributors or cannabis delivery services are hereby prohibited from operating anywhere in the Borough of Stratford, except for the delivery of cannabis items and related supplies by a delivery service.”

SECTION 2. Chapter 17 of the Code of the Borough of Stratford is hereby amended and supplemented by adding to the list of prohibited uses in all zoning districts in Section 17.52.090 as follows:

- E. “All classes of medical and recreational cannabis establishments or cannabis distributors or cannabis delivery services as said terms are defined in Section 3 of P.L. 2021, c. 16, but not the delivery of cannabis items and related supplies by a delivery service.”

SECTION 3. Except as set forth in Section 1 and 2 above, the balance of the Code of the Borough of Stratford shall not be affected by this Ordinance.

SECTION 4. All Ordinances contrary to the provisions of this Ordinance are hereby repealed to the extent that they are inconsistent herewith.

SECTION 5. If the provisions of any section, subsection, paragraph, subdivision, or clause of this Ordinance shall be judged invalid by a court of competent jurisdiction, such order of judgment shall not affect or invalidate the remainder of any section, subsection, paragraph, subdivision, or clause of this Ordinance.

SECTION 6. This Ordinance shall take effect immediately upon posting, publication, and final passage in the manner prescribed by law.

Stratford Borough is required to adopt by resolution an Affirmative Marketing Plan to ensure that all affordable housing units created in the Borough are affirmatively marketed to very low, low- and moderate-income households, particularly those living and/or working within Housing Region 5, which includes Stratford Borough.
